GROWING TOGETHER FOR LIFE

OUTDOOR ADVENTURE POSTER

The Grade 8s were given a project to design a poster about **climbing knots**.

These posters demonstrate some of the skills the Grade 8 pupils have been developing in their Adventure classes. The **Round Square Discovery Framework** was the basis of this project as they were assessed on their problem-solving abilities, inquisitiveness, inventiveness and sense of responsibility. The posters shown here scored top marks for their inventiveness! The top one is the creation of Joshua Fairhead and the other was designed and painted by Aine Egan.

HOCKEY VS MERENSKY

BOYS'
SLC hosted Merensky boys' hockey sides this week. Stanford enjoyed success, winning 3 out of 4 games on the day. The 1st boys won 1-0, with Justyn Trueman scoring the winner with a deflection early in the second half. The boys have qualified for Noordvaal which will take place early next term in Potchefstroom. The Junior teams were impressive, recording wins as follows : u/15s 3-2 and u/14s 1-0. These teams improved as the season progressed. This display of talent augers well for the future of boys' hockey at Stanford! The 2nd team, although playing well, went down to a stronger Merensky side 1-3.
Mr Shane Friedrichs

GIRLS'
Our hockey girls did very well to win 2 of their 4 matches. The u/15 girls played with real commitment and never gave up. They scored in the last minute of the game which meant a win for SLC 2-1. The u/16 and 2nd teams lost their games, although they still played some good hockey. They fought through to the last minute of the game. The 1st girls had a very tough game against Merensky. They played like real Stanfordians and walked away with a win 1-0. Well done to all our players for an excellent day on the hockey field.
Miss Marmari Pieterse

TENNIS NEWS

Lara Dando (Grade 10) competed this year in the Inter Provisional Tennis tournament against North West and Northern Cape. The tournament took place on the 26th and 27th of May in Klerksdorp. After two long days of tennis matches, Limpopo came back with some excellent results. Well done Lara, we are very proud of you.

OUTREACH TO GLENSHIEL SCHOOL

On Wednesday the 31st of May, a group of Grade 9s visited Glenshiel Primary School and brightened the young students' lives with a handout of sweets and toys.

Happy youngsters' faces with the Stanford students at Glenshiel School.
Ms Margaret Freestone
