

BLANKET HAND OUTS TO LOCAL SCHOOLS

Mrs Joy Park would like to thank everyone who so generously donated blankets for this project. Ten Stanford girls helped to distribute them to happy recipients at local primary schools and crèches. It was a great success and thanks for the fantastic support.

HELP NEEDED FOR KNYSNA RELIEF

Following the disaster that has struck in Knysna, we here at Stanford Lake College have joined forces with the community to donate some much needed goods to the people who have lost so much.

DHL Polokwane has agreed to send any such donated goods to the people in Knysna for free.

If you would like to donate something, please send it to Stanford Lake College by Wednesday (21 June) 10:00, and we will make sure that the items reach the people who are so desperately in need of basic help.

Examples of goods urgently required:

Toiletries, old clothes, dog and cat food, tinned foods, long life (box) milk, blankets, bottled water.... and anything else that can help in this situation.

Thank you all in advance for the support we can always rely on from our community! *Karlien van Wyk, Service Coordinator*
