STANFORD LAKE VS CURRO HEUWELKRUIN - FINALS

The 1st team boys played the first match of the day, undoubtedly coming in as underdogs, having lost their first encounter by 20 odd points. There was a good vibe and spirit around the boys on the day, which sent out a positive message. At the start of the game, one could see and sense the nervousness within the boys, but they fought through all of that and at the end it was pure guts and determination. From trailing by 10 points to a deficit of 1 point at the end (which could have clinched it if the final kick had gone over), says a lot about the camaraderie displayed in the team. The final score was 20-19, with Mfumo Mongwe earning 'man of the match'. It was a great game to end the season and the coach was extremely proud of the performance of the boys!

The SLC u/15's came to the game as favourites as they had won their first match convincingly. The final was always going to be a thriller of a match. Curro Heuwelkruin seemed stronger than our boys at the beginning of the encounter, posting the first points of the day in the first 15 minutes. Our boys grew in courage and went all out to challenge Curro. In the second half, SLC came out guns blazing, bringing the game to the opposition and scoring two unanswered tries to end victorious on 21-14. The young boys showed a great deal of character winning this final. 'Man of the match' was awarded to Ethan Chidavaenzi for his great performance.

BERIG 'TOUR DE PLAAS' – 1ST XCO EVENT OF 4TH LIMPOPO SERIES
On 29 July 2017 the first Limpopo XCO event took place at Merensky – the Berig 'Tour de Plaas'. The event has grown significantly since the first race in 2016 and more schools have joined the series this year. Stanford Lake College did really well with a squad of 19, some being new riders. SLC managed to claim a few podium places : *Youth Girls* - Ani Gutiérrez 1st, Lara Dando 3rd. *Sub-Junior Girls* - Megan Joynt 2nd. *Sub-Junior Boys* - Reuben Middleton 1st, Herman Fourie 3rd. *Junior Men* - Matt Wilkinson 3rd. Stanford Lake College finished 2nd overall for the day, with all of the riders still looking strong and enjoying the ride. Stanford is so proud of the team, and special thanks to the parents for all their support. Everyone is looking forward to the next event which is in Modimolle, the 'Tour de Nyl' on the 12th August.
