

INTERHOUSE SWIMMING GALA

The Inter House gala was held on Thursday, 25 August at the Stanford Lake College High Performance Centre. It was a high spirited gala with all the pupils at Stanford present to cheer on their swimmers throughout the afternoon. There were a number of House records broken during the event and some exciting finishes to several races. It was a wonderful occasion with the whole Stanford community involved and well supported by our parents. Well done to all of you.

Loomis were superb during the gala, winning the Patrick Wilken Trophy. They also accumulated many points during the relays; very well done to Loomis.

CONGRATULATIONS TO THE u/15 RUGBY BOYS

On Saturday, 19 August the Stanford u/15 Rugby team played in the Verseeker Beker semi-finals against Christiana from the North West. It was a beautiful day for rugby and neither team disappointed the many parents and supporters who turned out to watch the game. Our juniors dominated their opponents throughout the 1st half, with some highly impressive running rugby, with a 21-5 lead going into half time. Christiana came back with a bang in the 2nd half and managed to pin the Stanford boys back in their own half for the rest of the game, scoring 4 tries to just edge past our u/15's. The end result was 42 – 28 to Christiana; however, the result does not show how close the match really was. This has been a fantastic season for the 'Baby Badgers' and has set up the 2018 season very nicely. Well done to the boys and Coach Bex, we are looking forward to next season. *Mr Steve Willson*
