ROUND SQUARE EXCHANGE STUDENT NEWS

Message from the Round Square Exchange Co-ordinator Mark Friedman: Greetings from California! I took the current group of exchange students at The Athenian School into San Francisco yesterday to serve lunch at Glide, which is a community service outreach project of a church preaching liberation theology. We served 600+ meals. It was fried chicken, so was very busy. The students did great yesterday—and all are doing beautifully in general. Below is a picture of the group in the lobby after our work shift.

Thanks so much for sharing them with us!
