

GLENSHIEL CHRISTMAS PARTY

This week, the Grade 8 year group hosted a Christmas Party for one of our neighbouring schools, Glenshiel Primary, on the lawns next to the lake. It was a beautiful sunny day and the party was a huge success. The entire planning, organisation and running of the event was a practical life skills project in the Life Orientation class, and everybody had the opportunity to take part in something. Activities that were available to the little ones were face painting, dancing, soccer, musical statues and having the opportunity to sit on Santa's lap and make a wish. The day was sponsored by the Grade 8's and their parents. We want to extend our sincere gratitude to the Robinson, Kalan, Knott, Patel, Otto and Maritz families for their huge donations which resulted in a most exciting day for our visitors.

Mr Izak Vollgraaff

JUNIOR AFRIKAANS OLYMPIAD

The results were most pleasing. Danica Altenroxel (91%) was 1st in Limpopo and 7th nationally. She received a cash prize and several book prizes for this achievement. Megan Joynt (90%) and Lia Revelas (89%) also ended up in the top 10 achievers nationally and respectively 2nd and 3rd in Limpopo. There were 4321 entries nationally. Well done to these girls. *Mr Lucas Ludick*

FULL MOON ADVENTURE RACE

On Friday the 10th November, Stanford Lake College took on the 100km Full Moon Adventure Race, held at Francolin Creek in the Free State. This race tests participants' limits to the extreme! Stanford entered 3 school teams in the race: "Tshanduko" consisting of Matt Wilkinson, Emma Melville, Danica Altenroxel and Ani Gutierrez-Hernandez; "Brothers in Arms" pair of David Pullinger and Casper Venter; and "The Badgers" team with Owen Venter, Reuben Middleton, Lia Revelas and Andreas Hacker. The teams raced hard, competing against all the senior teams in the field. In the end "The Badgers" came 11th and "Tshanduko" 10th in the 100km mixed 4's category, racing for about 15 hours non-stop. "Brothers in Arms" finished 2nd in the male pairs event, racing for 14 hours. Well done to the all teams for the amazing effort. Stanford also had staff competing with Mr Willson and Mr Fullard racing for "Red Ants" who finished 3rd in the mixed 4's event. Stanford really showed some grit this weekend!

Mr Tiaan Fullard
