

CALLING ALL ALUMNI FOR AN HISTORIC HOCKEY MATCH WITH STANFORD STAFF

On Friday 18 May, any Alumni brave enough to take up the challenge, may join two hockey teams being put together and managed by Mr Craig Carolan (Headmaster) and Mr Shane Friedrichs (Director of Sport). These teams will be the first to play a match on the brand new Astroturf field that is being officially opened the following day. Don't miss this historic opportunity. The game will start at 14h50. Contact head@slc.co.za to put your name down for the teams and for further details.

APPEAL TO HOST VISITING PUPILS

Dear Parents

We have St Dunstan's joining us for a Derby from Friday, 18 to Saturday, 19 May 2018. They will be bringing approximately 170 boys and girls to participate in sport and activities. They will need to be hosted on Friday night only. They will need to be collected on Friday at 16:30 and returned on Saturday morning at 08:00.

We need to host out at least 150 of these pupils and therefore ask you to open your homes to the visiting pupils. On our visit to St Dunstan's last year, their parents really pulled out all the stops and hosted the pupils and staff of Stanford very graciously and we would like to reciprocate this year.

Could you please respond via email to sports@stanfordlakecollege.co.za before Saturday 12 May 2018 if you are able to host one or more pupils?

We look forward to hearing from you and thank you in advance for helping us to accommodate our visitors.

Shane Friedrichs
Director of Sport

PS We appreciate that some of you may be attending the SLC Society Black Tie Dinner on Friday evening and therefore would not be able to offer beds.

Stanford Lake College
18-19 MAY 2018
