

IMPORTANT INFORMATION ABOUT THE ARRANGEMENTS FOR SATURDAY, 19th MAY FOR THE 20 YEAR CELEBRATIONS

All SLC Parents to please park at the Barnyard or at Blueberry Heights on Saturday 19 May. A shuttle service will be available from the early morning until 20h30.

Breakfast Buns will be on sale for everyone on Saturday morning from 07h00.

Parents please note: No cooler boxes will be allowed to be brought onto the school campus during the St Dunstan's Derby and Music Festival.

The Beer/Refreshment tent will open from 13h00.

No scholars will be permitted into the fenced area of the Beer tent, irrespective of their age. No children may go into this area, even if accompanied by their parents.

Thank you for your cooperation!

NASHUA XCO MTB EVENT HELD AT STANFORD LAKE COLLEGE

On Saturday the 28th of April, Stanford Lake College hosted the second round of the 2018 Limpopo Open XCO series, the **Nashua XCO**. The event had a new start and finish venue, allowing for a better race setup and a more spectator friendly race. The fast finish area made for some spectacular racing.

There were three different courses for the day's racing: A primary schools' track (2km loop), a short course (4km loop) and a long course (4.5km loop). The long course included some technical single-track with some demanding features like drop-offs and rock-gardens.

Lara Dando

It was a perfect day for racing with nice temperatures and a slight breeze. The level of racing varied with some intense racing for the top spots, some battling just to keep pedalling and some riders just enjoying every moment. Stanford's riders did very well as follows : Danica Altenroxel 3rd place in the Youth Women; Lara Dando and Ani Gutierrez-Hernandez 3rd and 1st respectively in the Junior Women (below left); Matt Wilkinson finishing in a spectacular 2nd place in the Elite Men (below right).

Stanford Lake College would like to say a very big thank you to the main sponsor, Nashua Limpopo, for supporting this event and the development of mountain biking in Limpopo. Without sponsors like them, these events cannot take place. Also big thanks to the Stanford team and the local support. Stanford Lake College is built by family, the supporting community and some hard working staff.

Tiaan Fullard

LEAGUE HOCKEY vs BEN VORSTER

Stanford Lake College had a full day of hockey fixtures against Ben Vorster on Monday 7th of May. The matches were played on Ben Vorster's new Astro turf.

Of the 7 teams that played, SLC managed to win 2 matches, one of them being the 1st team Girls. It was a tough outing for some of the teams as it was their first experience playing on the Astro turf.

Thank you to all the SLC supporters and to Ben Vorster for sport played in good spirit. We look forward to hosting them on the Stanford Lake College Astro turf for next year's league.

Mr Adin Bennett

U/14 girls Chelsea Hudson and Rachel Rose Thompson high fiving!

OUTREACH GARDENING PROJECT

If you have any of the currently on promotion **Checkers Little Garden** seed planters that you aren't going to use, please send them to the school. They will be distributed to the service staff who will be encouraged to grow veggies for their families.

THANK YOU! Mrs Shirley Jack
