

AUSTRALIAN GRADE 9 EXCHANGE TOUR WRAPS UP

It has been a good week for the exchange students in Australia. They were invited to talk to the Gr 6's at Radford College, about South Africa and their beautiful school Stanford Lake College. They also had the privilege of having High Tea with the South African High Commissioner H.E Ms Beryl Sisulu. H.E Ms Beryl Sisulu is the daughter of Walter and Albertina Sisulu.

The group heads home at the end of this week and the reciprocal students from Radford College (14 of them) will be attending Stanford until the end of the term, starting next week Monday. *Mr Adin Bennett*

APEAL FOR LOAN OF EQUIPMENT FOR THE 14 AUSTRALIANS. The group from Radford will be participating in the Grade 8s and 9s Treks. We are asking if the SLC community can assist by loaning some of the equipment they will need. We are short of tents, stoves and backpacks. If you are prepared to loan us some equipment, please will you drop it off at the DAD centre, clearly labelled. Thank you in advance for your assistance. *Ms Tamara Nel*

THE GRADE 8s MORPH AS MATRICS FOR ONE DAY!

Following a very successful matric auction on Wednesday afternoon, the Grade 8's spent an exciting day being Matrics. They borrowed the matric hoodies, their blazers (many white ones) - and the more "bling" on the blazer the better!

Meal times were just such fun with the genuine matrics having to bring food, tea, water etc. to their "owners". Everyone got into the swing and spirit of things, including the teachers who were overheard calling the "MATRICS" into class. *Mrs Shirley Jack*

STANFORD INTERHOUSE GALA REPORT

The Stanford Lake College Interhouse gala was held on Wednesday afternoon in the High Performance Centre. It was another wonderful afternoon of competitive swimming at the College and was enjoyed by the participants as well as all the supporters. The spirit amongst the Houses was fantastic and really great to see. The eventual winner was Orvis - well done to their swimming team on the day.

Three of our swimmers : Anika Schmidt, Luca Wasley and Wernich Schmidt have been chosen to represent Limpopo at an inter-provincial gala being held at the HPC at Stanford Lake College from 9am tomorrow, Saturday 25th August. *Mr Shane Friedrichs*

ADVENTURE RACING - TEAM RED ANTS

As an adventure school, we are lucky to have an experienced and active staff currently participating in Adventure Racing. Team Red Ants are currently A1 Series leaders ahead of a few professional, full-time AR teams, with just 2 races left in the series. Series winners gain a free entry to the 2019 GODZone 500km race in New Zealand. The team was founded here in Magoebaskloof by Alumnus Brian Gardner, who is still Team Co-Captain, and former staff member, Gary Townsend, and still serves as the Team's traditional home-ground. Staff members, Mr Tiaan Fullard and Mr Steve Willson, are active members of the Team and are passionate about setting the example and sharing their love for all things adventure with our pupils. Two of our SLC teams will travel to Cape St Francis this weekend for the 120km Kinetic Full Moon race. We wish them the best of luck and know that they will do us proud!

Mr Steven Willson
