16:30	Day scholars may depart.		

The Hatchery Process

Our Hatchery Process is designed to welcome every new grade 8 pupil to the Stanford family in a calm and structured way, so that every child can know his/her place and purpose at the College. Each grade 8 student is paired with a matric mentor for the duration of Hatchery. On Thursday 24 January 2019 the school will host its annual inter-house athletics programme after which grade 8 parents are invited to join us for a picnic lunch down at the Lake side. Following the picnic, the grade 8’s will perform their Hatchery concert in the Barnyard Theatre at 6pm. The official end of Hatchery is on Friday 1 February 2019 at an Induction Ceremony.

Hatchery weekend

We start with a hatchery weekend for the new gr 8 students from Friday 18 January 2019 after assembly until after breakfast on Sunday 20 January. All new gr 8 students (boarders and day scholars) must attend and accommodation will be made available in the boarding houses. All meals will be provided. The Grade 12 students draw up a programme of activities for the new students, and this is implemented under the supervision of members of the Stanford staff.

Students need to bring:

- Plenty of changes of old clothes for cold, wet and hot weather
- Towel and wash kits
- Head torch
- Warm sleeping bag, blanket and pillow.
- Sunblock

The Hatchery Staff

Mr Grant Norton 083 455 5524
Ms Tamara Nel 082 503 9263
Mr Neil Haarhoff 082 253 1239

We look forward to welcoming you to Stanford.

Best regards.

GRANT NORTON
