

VALEDICTION SERVICE OF 2018

The Stanford Lake College Valediction Service took place at the Barnyard on Friday, 12 October 2018. Prizes were awarded to Matric Pupils who have excelled during their time at Stanford. Mr Grant Daly, a Past District Governor of Rotary, was the guest speaker and he motivated the Matrics to become involved in 'service above self'. The awards were handed over by the Headmaster of SLC, Mr Craig Carolan.

At the end of the prize giving, the traditional Shoe Ceremony took place, at which all the Matrics left their school shoes on the stage. These shoes are distributed to local underprivileged pupils. The final activities were the throwing of the colour bomb and then all jumping into the Lake, together with the Headmaster!
