Lara Dando (Full Colours)
& Ani Gutiérrez-Hernández (Honours)

Half Colours Cricket: Abe Athanassiades, Luca Wasley, Ethan Jones

EXCHANGE TRIP NEWS

Danica Altenroxel is back home now. She gave Snapshot the following report on her experience as an Exchange student.

"I had an amazing few weeks in the US. During my time in New York I experienced the way of life in the city. I loved every minute, from the rush of the subway to the stunning skyline. It was interesting adjusting to school life. I thoroughly enjoyed all my classes there, which included English, Algebra 2, Modern World History, Chemistry, Engineering and Design, Music Appreciation and Guitar. The classes are small allowing for much student driven discussion and we were challenged to think and analyse work content. Outside of school, I discovered the many great sights of the city, my favourites being the Statue of Liberty and Brooklyn Bridge. I am truly grateful for this opportunity I have had to broaden my horizons and experience more of this incredible world we live in."

CHRISTMAS FOOD PARCELS REMINDER

Parents!! Please see the letter on d6 as a reminder to bring the requested food items for our Campus Service Staff Christmas Cheer parcels. All items to be left with Mrs Jack. Thank you to those who have already brought their contributions.

FUNKY HAT AND SOCK DAY FOR CHARITY

Staff joined in the charity drive with the students today, sporting funky hats and socks. R10 each was collected and the proceeds are going to a charity for the disabled. Thanks to Mrs Park for organising this drive.

MAGOEBAKLOOF CLASSIC MBT REPORT

This last Saturday the College hosted the 20th edition of the Magoebaskloof MTB Classic. This race is famous amongst Mountain Bikers for its beautiful scenery and tough routes. It also serves as a fund raiser for charity, as all proceeds go to Rotary Haenertsburg. Almost 300 brave riders took to the start line to battle the rain and mud, and all involved definitely got dirty for charity! Well done to all riders who took part, and thank you for your contribution. A special mention must go to Casper Venter (2019 Head Boy) who came 4th in the monster 80km in atrocious conditions, racing senior riders. Well done, Casper!

Mr Steven Willson
