### HERMAN FOURIE (GR. 9) CHOSEN FOR LIMPOPO TENTPEGGING TEAM FOR NATIONAL COMPETITION

Five junior riders from the LPETA (Limpopo Equestrian Tentpegging\* Association) have been selected to represent Limpopo for the interprovincial tournament being held in December in Bethlehem (Free State). Stanfordin, Herman Fourie, was chosen along with 3 riders from Ellisras (Lephalale) and 1 from Naboomspruit (Mookgophong).

\*"Tentpegging is a cavalry sport of ancient origin, and is one of only ten equestrian disciplines officially recognised by the International Equestrian Federation. Used narrowly, the term refers to a specific mounted game with ground targets."

### THE READ WITH ME FOUNDATION HANDS OUT DRI-MACS TO GLENSHIEL PUPILS

On the 28<sup>th</sup> November 2018, a dream of the "Read with Me Foundation" came true. With the help of the Interactors, 86 sky blue Dri-macs were distributed to the pupils of Glenshiel Primary School. This means that these young children will be dry when it rains and warm in the winter months; it will also reduce the colds and flu which often plague these youngsters. The money to buy these jackets was raised by the Read with Me Foundation Committee selling ice creams at break-time to the students at Stanford. A big 'Thank You' to all the students of Stanford who bought ice creams from us to make this possible.
